

SLP Pre Conference Regular Track Schedule

Directors

Juliana Litts, M.A., CCC-SLP
Maurice E. Goodwin, M.S., CCC-SLP

Description: The Fall Voice SLP Pre-Conference Regular Track is intended for SLPs who have more than five years of experience treating voice and upper airway disorders. The theme for this year's conference is "SLP Magic" and the lectures will focus on the unwritten techniques that highly experienced SLPs use to treat patients. Participants will leave this pre-conference with clinically applicable techniques to take home and apply to their patients with voice, dysphagia and upper airway problems.
