

SLP Pre Conference Main Track Agenda

Thursday, October 24, 2024

Chairs: Daniel Buckley, MS, CCC-SLP & Christine Murphy Estes, MM, MA, CCC-SLP

The Fall Voice SLP Pre-Conference Main Track is intended for SLPs with more than five years of experience treating voice and upper airway disorders. The theme for this year's Pre-Conference is "**Perspectives of Voice Therapy from a 30,000 Foot View.**" The program will delve into some of the more intricate and nuanced aspects of clinical care and professional practice, aiming for participants to gain applicable techniques, ideas, and resources to apply directly in their clinical and professional settings.
