## THE 2025 FALL VOICE MAIN PROGRAM

---

**TARGET AUDIENCE:** *Physicians, Speech Language Pathologists, Allied Health Care Professionals, RN's, PA's, NP's, Clinical Speech Language Pathology Fellows, Laryngology Fellows, Grad Students & Voice Teachers.*

**CONFERENCE GOAL:** *The Fall Voice Main Conference is presented by nationally recognized leaders in laryngology, speech-language pathology and voice science and is designed to meet the educational needs of physicians, speech-language pathologists, voice scientists, teachers, and allied providers specializing in voice disorder clinical care. The activity, provided via a live and virtual medium format, using didactic, case based and interactive instructional methods and panel discussions, will review multo-disciplinary approaches, techniques, clinical innovations and strategies for the management and clinical care of patients with voice-related difficulties and disorders.*

**EDUCATIONAL OBJECTIVES:** *Course objectives can be viewed here: [http://www.fallvoice.org/conference\\_disclosures.php](http://www.fallvoice.org/conference_disclosures.php)*
